Law Clerk position

Develop the foundations of a global legal career. You'll take on responsibility from day one. Whether attending court hearings, working with clients, or developing your professional network, you'll experience the cutting edge of the legal sector.

Working across our practice groups and sectors, you'll be given the best career platform and the knowledge, skills, and behaviours that will support your professional growth. You will:

- work on complex matters and see how cross-border thinking delivers practical solutions for clients;
- collaborate within a forward-looking team connected to colleagues around the world;
- build capability through structured learning and meaningful responsibility;
- be supported by supervisors, buddies and mentors who invest in your growth;
- extend your professional network beyond New Zealand;
- explore interests beyond your core role, including legal tech, sustainability and pro bono work; and
- thrive in an environment where your wellbeing and performance are genuinely prioritised.

Eligibility

- You are a law student in your final year of undergraduate study.
- You have the right to work in New Zealand, full time.
- If shortlisted, you are available to attend our Assessment Day in Auckland.

What we look for

We welcome students from diverse backgrounds who demonstrate the potential to thrive in a commercial, globally connected environment. Beyond meeting the eligibility criteria, we look for people who:

- have strong academic results, a commercial mindset and a passion for client service;
- show intellectual curiosity and the ability to think critically and communicate clearly;
- demonstrate genuine interest in business, international perspectives and the commercial context our clients operate in;
- remain adaptable and resilient when priorities shift;
- build strong, collaborative relationships with professionalism and integrity;
- approach feedback with a growth mindset and take ownership of their development;
- show initiative, drive and accountability in their work;
- are curious about how digital tools and innovation enhance legal practice; and
- value inclusivity and contribute positively to a diverse and respectful culture.
